3 *Leasing out of Stalls.*—The stalls constructed by the Municipality shall be leased out by it on the conditions laid down in these rules.

4 *Rent.*—The rent of stalls shall be determined in advance by the

Municipality, taking into consideration the cost and location of the stalls and other relevant factors.

5. *Term of Lease.*—The term of the lease in the first instance shall be for one year; provided that the lessee may renew the lease for another year and so on.

6. *Payment of Rent.*—The lessee shall pay monthly rent in advance by the 10th of the month in which it falls due. He shall pay two months rent as security to the Municipality, which shall be refunded on the expiry of the lease, unless it is forfeited in accordance with the terms of the lease.

It will be sole responsibility of the lessee to deposit the rent in time in the office of the Municipality. In default of payment of rent continued for a period of six months the lessor shall have the right to eject the lessee from the stall in possession of the lessee.

7. *Subletting or transfer of stalls prohibited.*—The lessee shall not assign, sub-let or transfer by lease or otherwise part with the stalls or any part thereof, without the permission in writing of the Municipality.

14. *Determination of lease.*—The lessor shall have the right to determine the lessee before the expiry of the lease period only in case the land under the lease is required for a purpose of public utility.
